About Doma

Doma is architecting the future of real estate transactions. The company uses machine intelligence and its patented technology solutions to transform residential real estate, making closings instant and affordable. Doma and its family of brands – States Title, North American Title Company (NATC) and North American Title Insurance Company (NATIC) – offer solutions for current and prospective homeowners, lenders, title agents, and real estate professionals that make closings vastly more simple and efficient, reducing cost and increasing customer satisfaction. Doma's clients include some of the largest bank and non-bank lenders in the United States. To learn more visit doma.com.
