About Doma

Doma is a real estate technology company that is disrupting a century-old industry by building an instant and frictionless home closing experience for buyers and sellers. Doma uses proprietary machine intelligence technology and deep human expertise to create a vastly more simple and affordable experience for everyone involved in a residential real estate transaction, including current and prospective homeowners, mortgage lenders, title agents, and real estate professionals. With Doma, what used to take days can now be done in minutes, replacing an arcane and cumbersome process with a digital experience designed for today's world. To learn more visit doma.com.
