### About Doma

Doma is a real estate technology company that is disrupting a century-old industry by enabling a faster home closing experience with less friction for buyers and sellers. Doma uses proprietary machine intelligence technology and deep human expertise to create a vastly more simple and affordable experience for everyone involved in a residential real estate transaction, including current and prospective homeowners, mortgage lenders, title agents, and real estate professionals. With Doma, what used to take days can now be done in minutes, replacing an arcane and cumbersome process with a digital experience designed for today's world.
